

Hui Lin & Ibraheem

INTERNATIONAL OFFICERS

ABOUT US

We're Hui Lin (Malaysian 🇲🇾) and Ibraheem (Egyptian 🇪🇬), both second-year engineers. We love cooking our ethnic dishes, meeting students from other cultures (we're very curious people), and occasionally we'll (try to) play some badminton. We will make Downing a welcoming and inclusive community for international students through our support and good vibes!

INITIATIVES

Living

- Negotiate with college for earlier move-in dates for international students
- More flexible storage facilities over NPR holidays
- Push college to improve NPR system (with Accommodations Officer)

Food

- Collaborate with catering for improved and more frequent ethnic dishes (including ethnic food taster sessions)
- Push for more cultural formals (e.g. Chinese New Year, Eid)

Welfare

- Pre-arrival support for international freshers (online Q&A session with current internationals, support dropbox for questions)

Socials

- Formal swaps/socials with international students in other colleges
- Collaboration events with Cambridge SU societies
- Annual potluck dinner!
