## FRESHER'S OFFICERS

*FELIX WARREN*

*fdrw2*

*AMELIE KNIGHT-MARKIEGI*

*ak2701*

I'm Felix and I'm a first-year studying theology. First year has been amazing and I'd like to carry this on for the incoming freshers! In college I'm involved with the lacrosse team and rugby team (league winners) and play Cambridge University Blues American Football. I've also been acting for over ten years, recently at the ADC theatre, and have acted with Cillian Murphy!

I'm Amelie, a first-year history student here at Downing! I've loved my first year here and would love to ensure the incoming cohort enjoy it just as much as I have. In college I'm involved with the boat club and have loved coxing for DCBC in my first couple of terms. I also compete for Cambridge University Blues Cheerleading as well as being involved in various other college events.

## OUR INITIATIVES

### Ease freshers into Cambridge life

Cambridge is a lively and chaotic place to be in the first few weeks. We aim to create a friendly and welcoming environment where freshers feel at ease and comfortable in a new city away from home.

### Have a diverse variety of freshers' events

In aiming to create a coherent and fun array of activities for the new freshers, we hope to bring the year group together in their initial days here to integrate them with their peers and show them around the city. This would include but not be limited to: accommodation vs accommodation sports day, hotdogs and Jacks Gelato on the paddock, and a Welcome to Dbar ent.

### Our support doesn't end with freshers' week!

As fresher's officers, we aim to provide continued support throughout the year. Working alongside our welfare and ent officers, we will ensure that the freshers have a first term full of opportunities and support.
