

Nathan Wood for Junior Treasurer

About Me

Hi, I'm Nathan, a 2nd year Economics Undergraduate, and I would love to serve you as JCR Junior Treasurer.

I am incredibly proud to be an active member of Downing, particularly with the Board Games Soc and DCBC, as well as being a Dbar quiz regular.

It would be an honour to give back, and to support extra- and super-curriculars at Downing.

My Goals

1. Work with the VP and Accom. Officer to negotiate lower rents and more short term Accom.
2. A swift JCR Grant process for societies
3. Introduce a record of DCAC financial reports on the JCR website, and fix the records of JCR budgets, to promote transparency
4. In the interest of further openness, create and publish a report on the rent negotiations.
